**FROM I95 SOUTH OR NORTH**

Take Exit for US-322W. Follow US-322W 7.1 miles until you reach Route 1-Baltimore Pike. There will be a CVS on the corner. Cross over Route 1 and stay on Conchester Road for 0.2 miles. Turn right on LaCrue Avenue. Turn left into the first parking lot. Building is in front of you. Enter building through the left door, with the A Total Approach sign next to it. We are the first door on the right.

**FROM 476**

Take exit for Springfield/Lima. Go towards Lima – US-Route 1 South. Go 3.3 miles and US-Route 1 merges into Baltimore Pike. Stay on Baltimore Pike for 6.2 miles. You will make a right on Conchester Road (Where Route US-322 connects with Route 1). Make another right on Lacrue Avenue. Turn left into the first parking lot. Building is in front of you. Enter building through the left door, with the A Total Approach sign next to it. We are the first door on the right.

**FROM US-202 North or South**

Follow US-202 until you reach US-Route 1 (Baltimore Pike) in Chadds Ford. Turn onto US-Route 1 North and go 1.0 miles and make a left on Conchester Road (This is the traffic light where US-322 connects with US-Route 1). Turn right on LaCrue Avenue. Turn left into the first parking lot. Building is in front of you. Enter building through the left door, with the A Total Approach sign next to it. We are the first door on the right.

We offer a variety of Programs designed with the individual needs of the child in mind.

The Sensory Integration camp is specifically designed to take place during the Summer.

Other programs are also available continuously throughout the year, such as our highly effective Therapy Intensives.

For information on all of our programs please visit our website:

# Sensory Integration Summer Program at A Total Approach

**(484) 840-1529**

# Sensory Integration Summer Program

August 9th–20th

Available for children ages 5 - 9  
Monday through Friday  
9:00am–1:00pm

ATA’s Sensory Integration Summer Program consists of 3 hour daily attendance over a period of 2 weeks.

This camp is a fun-filled experience, exploring and working through all the sensory systems of the body, while also applying the DIR (Floortime) approach to play. This is all set within a social environment, providing wonderful opportunities to work on social skills and communication as well.

Cost is \$2000 total for the 2 weeks  
Space is limited to 6-8 children so register soon!
